Hospital Board Schedules Two Meetings about the New Integrated Medical Center Feasibility Report

Friday Harbor, Wash. – The next regular meeting of the San Juan County Public Hospital District #1 Board will be held at 5:30 p.m. on May 28, 2008 **at the Mullis Center**. A Special Meeting to provide ample opportunity for community feedback will be held on June 11, 2008.

The regular monthly meeting on May 28 will include a presentation of the Report of Initial Findings of the Feasibility Assessment about providing enhanced access to healthcare services in the District. The report will be presented by the San Juan Community Hospital Committee assisted by PeaceHealth. This will be the initial presentation of a large volume of information to the Hospital District Board and the community. Documentation of the report will be available immediately after this meeting, in hardcopy and online at www.sjcommunityhospital.org.

The Hospital District Board will hold a Special Meeting on Wednesday, June 11, 2008. This meeting is to allow for extensive, fully informed discussion with the community. Members of the Assessment Team including Islanders, consultants and PeaceHealth staff will be present to answer questions, listen to feedback and participate in the discussion. The time and location of the special meeting will be the subject of a future announcement.
